**Parents:** Please be at the school ready to pick up your student when we arrive. Directors should not have to wait on anyone to be picked up. A director will send Remind messages as we are leaving the contest site and periodically on our way home so you have an idea of where we are. Your student should also be calling/texting you when we are leaving Tiger stadium, or about 30 minutes out from our away game/contest site, so that you have time to get to LBHS should we be earlier/later than the itinerary scheduled time. The directors appreciate your promptness.
