**Parents:** Please make sure you are at the school ready to pick up your student when we arrive from any travel. Directors should not have to wait on anyone to be picked up. Your student should be calling/texting you when we are leaving BISD stadium, leaving away game/contest site, and about 30 minutes out from our away game/contest site. I even send out Remind messages when we leave a site and periodically on our way from away game/contest sites so that you have time to get to LBHS. The band directors, like you, have families to go home to, and we greatly appreciate your promptness.
